Description

Brand-new and ready to welcome you home! From the moment you step inside, the open living, dining, and kitchen area invites you to picture everything from lively dinners to laid-back weekends. The kitchen shines with a stainless-steel Samsung appliance package, while the split-bedroom design gives the primary suite a retreat of its own, with two additional bedrooms across the home. Home is protected with impact windows and doors for lower insurance premium. Enjoy a quieter setting with very little through traffic. The home also features a private well and septic system, so there’s no municipal water bill. Fresh, functional, and ready for its first owners, it’s time to make it yours! Motivated Seller is open to contributing toward buyer closing costs, prepaid expenses, or other allowable closing cost assistance with an acceptable offer. Ask about available buyer assistance programs, including potential down payment assistance and other financing incentives for qualified buyers. Certain programs may offer additional benefits when using a preferred lender. All incentives, credits, and assistance programs are subject to buyer qualification, lender approval, and program guidelines. Certificate of Occupancy issued and ready for immediate occupancy.
