Description

Seaglass at Bonita Bay represents the finest in contemporary coastal living. Penthouse 2202 spans half the building with desired sunrise-to-sunset exposure, capturing morning light over Estero Bay and radiant Gulf sunsets. This residence lives like a private home in the sky with direct elevator entry, soaring elevated ceilings, walls of glass, expansive terraces and a private enclosed two-car garage. It comes with a thoughtfully designed great room plan with chef's kitchen, generous primary suite and seamless indoor-outdoor living. Seaglass amenities include rooftop terrace and sunset lounge, resort pool and spa, fitness center, social room, guest suites and 24-hour staffed lobby. Ownership includes access to Bonita Bay's private beach park with shuttle service, marina, waterfront dining, and miles of recreational and biking paths. Membership in the Bonita Bay Club offering championship golf, tennis, pickleball, fitness and social amenities is optional and subject to separate application and fees.
