Description

Don't miss these third-floor Gulf views at one of Sanibel's most established beachfront addresses! Unit 2A3 at Sandalfoot is a fully renovated two-bedroom, two-bath retreat where the Gulf of Mexico is the backdrop to every day. Start the morning with coffee on your private balcony, end it with a sunset that needs no filter, and know the sand is only steps from your door. Inside, a complete renovation and new custom furnishings bring fresh, modern finishes and a bright, comfortable layout designed for easy island living. Both bedrooms are well proportioned; the modern kitchen features granite countertops and stainless steel appliances, and the screened lanai makes indoor-outdoor living seamless. This unit has an in-unit washer and dryer. Sandalfoot sits on Sanibel's East End at 671 E. Gulf Drive, an easy walk or bike ride to the historic Sanibel Lighthouse and some of the island's best shelling. The location also gives you quick on-and-off access to the mainland, so you get the quiet side of the island without feeling far from anything. Residents enjoy a heated pool, tennis, pickleball, shuffleboard, community elevator, and on-site bike rental, and an on-site management office. Whether you're picturing a full-time island home, a seasonal escape, or a lucrative Gulf-front investment, 2A3 delivers the Sanibel lifestyle in one polished package.
