Description

Welcome to Sabal Lake, a charming community of single-family homes with mature landscaping, scenic surroundings, and a relaxed neighborhood atmosphere. This rare opportunity offers low-maintenance living, low HOA fees, and abundant amenities. Just steps from the home are a welcoming clubhouse, community pool and spa, tennis and pickleball courts, and scenic walking paths. The neighborhood is only minutes from Naples' white-sand beaches, Naples Pier, Fifth Avenue, and downtown. The Barcelona floor plan features an open layout, abundant natural light, and comfortable spaces for everyday living. Vaulted ceilings enhance the main living area, which flows seamlessly into the dining room and kitchen—ideal for relaxing or entertaining. The kitchen provides ample workspace and storage, with a clean, modern design that complements the home's coastal-inspired décor. The spacious primary suite includes a well-appointed bathroom, while additional rooms offer flexibility for guests, hobbies, or a home office. Indoor and outdoor living spaces—including a screened patio and private pool enclosure—provide peaceful places to unwind and enjoy the Florida lifestyle. This beautifully maintained home also features a new roof, stainless-steel kitchen appliances, new AC, a washer and dryer, a Culligan water system, and impact-resistant windows and doors for years of worry free ownership.
