Description

Live steps from the beach in this completely reimagined 1-bedroom, 2-bathroom residence at Harborside West. Ideally situated across from the Vedado Way beach access point in The Moorings, this light-filled home blends coastal charm with modern sophistication. The condo was completely renovated, featuring all new plumbing, a tankless instant water heater, and an expanded primary bathroom. The guest bathroom was redesigned to include a new shower, while the custom kitchen by Abbot Hill showcases sleek lines, quartz countertops, premium appliances and Amish hardwood. Custom ceiling treatments and wall designs in the living area add stylish flair. Luxury vinyl flooring runs throughout the home. Floor-to-ceiling closets, new cabinetry, and contemporary new interior doors add both elegance and functionality. An inviting enclosed lanai extends your living space and looks out on lush, landscaped views, making it the perfect spot to unwind or entertain in the Naples sunshine. Residents of Harborside West enjoy wonderful amenities including a heated pool, fishing dock, renovated social room and kitchen, fitness center, dedicated onsite management, a covered parking space, a climate-controlled storage locker, and bicycle storage. The hallways were also recently repainted and re-floored. Perfect as a lock-and-leave coastal retreat or as a year-round residence, this property offers the very best of Naples living — beach days, sunsets, and an effortless lifestyle just minutes from Venetian Village and Old Naples.
