Description

Imagine having your own waterfront retreat in Southwest Florida—a place you can return to whenever you want, rather than renting a vacation property season after season, perhaps a full time residence with stunning water views is your destiny ? This beautifully maintained 2-bedroom, 2-bath waterfront condo offers peaceful lake and preserve views, spectacular sunsets, and the relaxed Florida lifestyle buyers come here to enjoy. The heart of this residence is its connection to the water. Triple 8-foot sliding glass doors open the main living area to an expansive screened lanai, creating a seamless indoor-outdoor living experience. Start your mornings overlooking the tranquil lake, unwind with sunset views over the preserve, or entertain friends while enjoying the beautiful waterfront setting. Inside, the recently painted residence features a well-appointed kitchen with beautiful granite countertops, pantry, and convenient wet bar. The spacious primary suite provides a comfortable private retreat with a large closet, dual sinks, and additional dressing space. The generously sized guest bedroom can easily function as a second primary suite, with private access to the guest bath—ideal for visiting family and friends. Additional conveniences include in-unit laundry and elevator access, while the peaceful, tucked-away setting offers a welcome sense of escape without sacrificing convenient access to shopping, dining, and everyday necessities. For buyers who regularly visit Southwest Florida, this is an opportunity to turn vacation spending into ownership. Furnish it to

make it your own, arrive whenever the Florida sunshine calls, and enjoy the familiarity and convenience of having your own place rather than searching for a seasonal rental year after year. Motivated Seller — come discover the opportunity to own the Florida getaway.
