Description

Stop paying for a lot the size of a driveway. This is 150 feet wide and 660 feet deep: a long private drive, a home set back in the trees, a pool with nothing behind it but pines and sky. This location has it all. Bring the boat. Bring the RV. Bring the horses. Build a guest house, a workshop, whatever you want. Estates zoning says yes, and there is no HOA to say no. Paved street. Power at the road. Newer homes on both sides. Huge growth in the area. Minutes to Publix, shopping and dinning, Big Corkscrew Island Park and highly rated schools. Land like this is not being made anymore. Bring your builder, or ask about our ready-to-go 3,900 sq ft modern pool-home plan.
