Description

Beautiful 20 acre property, both pasture and woods, (with more available!) in the charming Muse community. Located on a well-maintained dirt road approximately 1 1/2 miles off of Loblolly Bay, this is ideal for someone seeking peace and privacy while maintaining modern conveniences (Amazon delivers here!). Zoned Ag-2, which allows residential use in addition to agriculture. Build your country estate, weekend getaway, or hunting retreat -wildlife and game are plentiful! Bordered by Bee Branch on the east side of the property and teeming with grandfather oaks, cypress knees, and native vegetation. Pictures truly don't do it justice! The density allows 1 home per 20 acres. Approximately 15 minutes from shopping, restaurants, and schools in LaBelle, 45 minutes from both I-75 and Babcock Ranch, under an hour from Southwest Florida International Airport, and 2 1/2 hours from Miami.
