Description

Located in the highly desirable Cape Harbour corridor, this beautifully updated turnkey condo blends modern finishes with effortless Southwest Florida living. The open-concept layout features a renovated kitchen with quartz countertops, new stainless steel appliances, and a smooth flow into the main living area. Throughout the home, upgraded tile flooring, new doors, fresh trim, and contemporary designer lighting create a cohesive, elevated feel. The split-bedroom floor plan provides ideal privacy, and the primary suite includes its own private entrance, a spacious walk-in closet, an additional storage closet, and a fully remodeled en-suite bath with stylish finishes. A skylight brightens the great room with natural light, adding warmth and character to the space. Courtyards of Cape Coral South offers a highly convenient location just minutes from Publix, local banks, waterfront restaurants, shopping, nightlife, and the Cape Coral Bridge. The community’s welcoming atmosphere makes it an excellent choice for full-time residents, seasonal owners, downsizers, or investors seeking a low-maintenance property. With well-kept grounds, a heated pool, clubhouse, racquetball and basketball courts, bocce, shuffleboard, and multiple recreational amenities, this community delivers comfort, convenience, and an enjoyable Southwest Florida lifestyle. Low HOA fees — including flood insurance — make ownership simple and affordable. This home is being sold turnkey.
