Description

Own an oversized 0.27-acre corner lot in the fast-growing Banyan Village community — with 2 adjacent lots also available for even greater potential (corner and regular). Combined, add an incredible value! This prime homesite offers city water access, high-speed fiber optic internet, and electric service provided by Glades Electric. Banyan Village is a planned single-family community of approximately 4,000 lots, located just east of LaBelle. Residents enjoy abundant outdoor recreation, and convenient access to both Florida coasts and the Heartland. With all-new construction properties underway, now is the perfect time to secure your spot before prices rise. Build your dream home or invest in one of the region’s most promising developments!
