Description

This stunning pool home with water views and nearby private beach access is beautifully renovated, professionally decorated and furnished. It is ready for immediate enjoyment and is being offered Turnkey. Every detail has been considered and perfectly executed. Flooring, cabinets, paint, wallpaper, wall tiles, fans, fixtures, countertops and appliances were all expertly selected to create a stunning, comfortable home. The views of the lake, gorgeous new screened pool and spa, and close proximity to the community's private beach access combine to make this a perfect island home. New composite decking, new lattice, railings, pathways, lighting and landscaping create a fabulous outdoor area that is ideal for entertaining or quiet relaxing. This is essentially a new home: AC, roof, windows, siding, interior renovation, pool and screen enclosure, and landscaping all new with renovations beginning in January 2024. Situated at the end of a cul-de-sac yet close to the community's private beach access, the location is phenomenal. Practically new, this is an opportunity that will not last!
