The open-concept floor plan offers three bedrooms plus a den, three full interior baths and a convenient pool half bath, complemented by impact windows throughout and no flood insurance required. An impressive tandem garage provides generous space for a golf cart or additional storage. Fresh interior paint, custom designer lighting, a shiplap accent wall and wood-look tile throughout the main living areas create a sophisticated yet relaxed aesthetic. At the heart of the home, the beautifully finished kitchen features upgraded appliances, a new backsplash and spacious walk-in pantry. The serene primary suite is enhanced by a custom-designed walk-in closet and bath with dual vanities, soaking tub and separate shower. A dedicated pool bath and plumbing for a future outdoor kitchen further enhance this exceptional entertaining space. Residents of Naples Reserve enjoy an impressive collection of amenities, including pickleball and Har-Tru tennis courts, a state-of-the-art fitness center, recreational and biking trails, and a 125-acre lake offering kayaking, paddleboarding and waterfront recreation.
