Description

Welcome to 7661 Knightwing Circle! | Positioned on an expansive lakefront homesite in the highly sought-after Blackhawk community, this residence delivers a rare blend of architectural design, privacy, and lifestyle. Offering 4 bedrooms + den, 3 bathrooms, and nearly 3,000 square feet of living space, the home is defined by its intentional layout, volume ceilings, and seamless indoor-outdoor flow. From the moment you arrive, the winding paver driveway, mature trees, and professionally designed landscape with custom uplighting create a true estate feel. Inside, tile flooring runs throughout the main living areas with new carpet in the bedrooms, complemented by crown molding, plantation shutters, and a freshly painted interior (2026). The kitchen is both functional and inviting, featuring granite countertops, stainless steel appliances, a breakfast bar, and a nearly new refrigerator, all opening to spacious living and dining areas designed for entertaining. A striking marble wood-burning fireplace anchors the main living space, enhanced by a whole-house surround sound system for an elevated experience - while the primary suite and guest accommodations offer comfort and flexibility. Step outside to a screened lanai where a saltwater pool overlooks tranquil lake views, delivering the ultimate Southwest Florida backdrop with ideal indoor-outdoor integration. With generous spacing between homes and a peaceful, low-density setting, Blackhawk is known for its estate-sized lots and quiet environment while remaining just minutes to I-75, shopping, dining, RSW

Airport, and the beaches of Sanibel and Fort Myers. This is a rare opportunity to own a well-designed, lakefront home in one of Fort Myers’ most desirable acreage communities.
