Description

Hi I am a 3 bedroom 2 bath house located in one of Cape Coral 's most desirable neighborhoods. Recently I had a makeover which included me being freshly painted, a new roof added above me in 2023 and a new a/c in 2020 also I am wired for a whole house generator. Now let me tell you something else about me. I had a number of upgrades added which includes a new refrigerator, a new water softener, new carpet in bedroom number two, new washer-dryer and dishwasher. My backyard also has plenty of space for you to add a pool and it is very private and beautifully landscaped. I am also located near shopping centers, restaurants and more. So do not hesitate and come on over and visit me. I am looking forward to your visit and hopefully you will make this your home.
