Description

Beautifully maintained 2+den end unit with a private 2-car garage in the desirable gated community of Portofino. This spacious second-floor home offers an inviting blend of comfort, style and classic Florida living, with approximately 1,700 square feet of living space. From the moment you arrive, the community's distinctive Mediterranean architecture, lush tropical landscaping and expansive brick-paver driveways create an impressive setting. Inside, the home features a light and neutral palette, soaring ceilings, crown molding, tile flooring throughout the main living areas and plantation shutters that add both character and privacy. The open living and dining areas are designed for easy entertaining, with multiple windows bringing the outdoors in and a wall of sliders opening to the screened lanai. The lanai overlooks beautifully landscaped grounds and mature tropical foliage, creating a peaceful setting for morning coffee, afternoon reading or evening cocktails. The community park and dog walk are across the street. The kitchen features rich wood cabinetry, granite countertops, stainless steel appliances, a breakfast area and a convenient pass-through to the living room, making it both functional and connected to the main living space. The spacious primary suite offers a tranquil retreat with a soft coastal-inspired color palette, ample room for a sitting area and a lovely view of the surrounding greenery. A separate den/office provides valuable flexibility for working from home, guests or a quiet reading room. Thoughtful architectural details throughout—including

arched doorways, substantial crown molding, plantation shutters and multiple ceiling fans—give this residence a polished, timeless feel. This is a home that offers more than square footage—it offers a relaxed Southwest Florida lifestyle in a beautifully maintained setting, with the convenience of Fort Myers shopping, dining, entertainment and bike path close at hand. Located just off Daniels near Whole Foods, the Stadiums and public golf, Portofino is a dog friendly community with no CDD or Flood insurance required!
