Description

Beautifully reimagined and impeccably updated, this exceptional 3,200+ square-foot pool home is tucked away on a quiet cul-de-sac in Monterey, one of North Naples' most desirable communities. Offering four bedrooms, three baths, soaring ceilings, and an impressive combination of space, natural light, and refined finishes, the home's distinctive courtyard-style design creates a wonderful indoor-outdoor lifestyle. Six sets of French doors with transom windows flood the interiors with natural light, while a charming wood-burning fireplace adds warmth and character. Designed with entertaining in mind, the living room features a wet bar, while custom built-in cabinetry in the dining area provides both style and additional storage. At the heart of the home is the completely renovated kitchen, beautifully redesigned from top to bottom with all-new cabinetry extending from floor to ceiling, elegant gold accents and hardware, new flooring, and sophisticated finishes throughout. The beautifully renovated bathrooms continue the elevated aesthetic with stylish tile work, updated finishes, and a fresh, modern feel. Additional improvements include a new metal roof (2020), new flooring throughout, a refinished pool, new pavers, and two newer A/C systems (2023), creating a truly move-in-ready home. Monterey has recently completed an extensive clubhouse renovation and offers an impressive array of amenities, including pickleball, a community pool, fitness center, children's playground, and three lighted Har-Tru tennis courts. Located just a few miles from Naples'

beautiful beaches and within a highly rated school district, this exceptional residence offers the perfect combination of space, sophisticated updates, and the coveted North Naples lifestyle.
