Description

Updated 1 bedroom, 1 bathroom penthouse unit located directly on the Gulf of America with panoramic water views. This top-floor residence features new hurricane-impact glass for enhanced safety and energy efficiency. Interior updates include modern finishes and an open living/dining layout designed to maximize natural light and showcase the waterfront setting. The spacious bedroom offers ample closet space, and the unit is positioned to provide privacy and unobstructed sunset views. Ideal as a primary residence, vacation home, or investment property. Property has strong rental history with great rental income potential.
