Description

This charming 3-bedroom, 1-bath single-family home in Clewiston offers 1,146 square feet of comfortable living space and was built in 1960. The concrete-block exterior is topped by a durable 2020 metal roof, while central air conditioning keeps the interior cool year-round. The bathroom features a convenient shower only, and the home is served by city water and electric utilities. Tile throughout the house. There is an additional room that could be used for storage or as a den. A large, paved driveway provides parking for vehicles, and a useful shed sits in the backyard. Property's back yard is fenced in with a vinyl solid privacy fence added for your comfort. Conveniently located near shopping centers, medical centers and schools this is a great starter home.
