Description

Enjoy a home designed for the way you live—whether hosting friends, welcoming overnight guests or savoring a quiet evening outdoors. Set on a cul-de-sac within the desirable guard-gated community of Wilshire Lakes, this beautifully maintained single-family residence pairs a private preserve setting with convenient access to Naples shopping, dining, beaches and the airport. Built in 2005, the 2-bedroom-plus-den, 2-bath home offers 1,895 square feet of light-filled living space with versatile options for gathering and retreat. A welcoming living area, adjacent den and designated dining space provide room to entertain, pursue hobbies or create a comfortable home office. The open kitchen and family room invite easy conversation, with a center island and breakfast bar offering natural gathering spots for casual meals and company. Volume ceilings, surrounding windows and sliding glass doors connect the interior to a wooded preserve backdrop, while the screened lanai and paved patio extend your living space outdoors for relaxed entertaining or peaceful downtime. The generous primary suite includes a spacious bathroom and walk-in closet, and the private guest bedroom offers convenient bathroom access for visiting family and friends. A laundry room, 2-car garage and hurricane shutters add everyday practicality. Beyond the home, mature, lush landscaping creates an inviting community setting, complemented by a clubhouse, fitness center, tennis courts, two community pools and a hot tub. With convenient access to Mercato, Waterside Shops, downtown Naples, Gulf beaches, I-75 and

the airport, you can enjoy a private retreat without giving up proximity to shopping, dining, entertainment and everyday goods and services.
