Description

If you’re looking for a profitable, fully furnished vacation rental or perhaps a multigenerational home in San Carlos Park, this is the one! Boasting 5 large bedrooms and 2 baths with 2,750 square feet of spacious living, this home checks all the boxes. The kitchen is fully appointed with stainless steel appliances, white cabinetry, a garbage disposal, granite countertops, a breakfast bar, and an oversized pantry. Enjoy dinners together in the kitchen dining area. The conveniently located interior laundry room features a newer washer and dryer, sink, and plenty of storage for laundry supplies. It also provides easy access to the 2-car garage, which features an epoxy-finished floor and pull-down access to additional storage. As you enter the front door, you’ll find a large, open family room that leads to a bonus area with endless possibilities. It’s a great space for children to play or for adults to get creative. Let your imagination take over! The huge primary bedroom leads to the primary bath, which features dual vanities, a large shower with frameless glass doors, and a private water closet. The guest bath is a Jack-and-Jill-style bath that connects to the guest bedrooms. All of the bedrooms are exceptionally large and spacious, providing plenty of room for all your needs. This wonderful home is not in a flood zone, is fully fenced, and features an oversized driveway and a beautifully manicured lawn. The roof was replaced in 2021, and the A/C is approximately 8 years old. The location is highly desirable, with easy access to FGCU, Southwest Florida International Airport, Estero,

Naples, Fort Myers, shopping, and wonderful restaurants.
