Description

Welcome to the growing area of Northwest Cape Coral! This vacant lot is the perfect place for your new construction home! Ideal for someone looking for uncleared land so they can keep the trees the want and clear those they don't. Cleared land is nice, but so is some shade and nature right in your own yard! This lot is just a short drive from dining, nature parks, supermarkets and all of the growing areas off of Burnt Store Road. New construction is plentiful in this area so whether you want to be an investor, part time or full time resident, NW Cape is quickly becoming where value meets convince!
