Description

Oversized, corner, cul-de-sac Class A Motorcoach site located in Pelican Lake Motorcoach Resort. This property spans 6970 square feet and boasts an incredible amount of beauty and privacy. Overlooking the lake with a southwestern exposure, the sunsets are exquisite! The outdoor lifestyle on this property offers a number of amenities including an outdoor kitchen with black stone, egg smoker, under counter fridge, and sink. This is two-part outdoor bar and kitchen offering seating around the bar. The landscaping includes many royal palms, hedges and smaller palms that have lighting to enjoy at night. Everything has been finished to customize this property to be one-of-a-kind. This 308 square foot coach house was custom built in 2015 but has been completely remodeled in the last two years. Finished with the highest custom finishes and decorated with the modern colors. The interior boasts custom off-white cabinetry throughout the kitchen and bathroom and all the woodwork in the living area. The floor plan includes a full kitchen with bar countertop, upgraded appliances, full bathroom with large walk-in shower, and a quaint living area opening up to the outdoor living with an accordion full width door.
