Description

Welcome to 9421 Moonlight Drive, a beautifully updated 3-bedroom, 2-bath pool home situated on a spacious lakefront lot in Sanibel’s desirable Gumbo Limbo community. This inviting ground-level residence offers a bright, open floor plan with generous living spaces and a thoughtful split-bedroom design providing privacy for owners and guests alike. At the heart of the home is a spacious, beautifully appointed kitchen featuring an oversized island with level-5 quartzite countertops, custom cabinetry and plenty of room to gather and entertain. The kitchen flows seamlessly into the main living and dining areas, while additional flexible living spaces offer endless possibilities for a family room, game room, home office or media space. The private primary suite features an updated, spa-inspired bath, while two comfortable guest bedrooms are tucked into their own wing of the home. Designed to embrace Sanibel’s indoor-outdoor lifestyle, disappearing sliders open the living area to an expansive screened lanai, covered patio and private pool overlooking the lake. A pass-through kitchen window to the outdoor wet bar makes entertaining effortless, while the large backyard, mature tropical landscaping and peaceful lake views create a private island retreat. Additional highlights include a paved circular driveway, garage parking, beautifully maintained grounds and convenient access to Sanibel’s shared-use path, beaches, shopping and dining. Currently offered as a vacation rental, this versatile island home is equally suited as a full-time residence, private getaway or

investment property.
