Description

Perfect starter home! This brand-new 3-bedroom, 2-bath home offers ample space with a bright, modern design that makes great use of every square foot. The open-concept living and kitchen area features tile flooring throughout, quartz countertops, a large center island, stainless steel appliances, modern white cabinetry, black hardware, pendant lighting, and recessed lighting. Black-framed windows and doors add a clean, contemporary contrast, while both bathrooms feature beautifully tiled walk-in showers and modern finishes. Sliding glass doors open to the backyard, giving you plenty of room to create your own outdoor space. Modern, affordable, and move-in ready, this is an excellent opportunity for a first-time homebuyer looking to own instead of rent in Lehigh Acres.
