Description

The Verandas at Tiger Island in Lely Resort is a beautiful neighborhood with established landscaping and great onsite amenities. This 2 bedroom/2 bath ground floor condo features a den/flex room with French doors for privacy that can be used as an office or guest overflow. With a screened lanai at the front and rear of the condo it doubles your usable outdoor space which is unique for a condo of this size. The kitchen includes a dining area and two pantries with ample storage space. The master suite is at the rear of the condo with landscaping for privacy, a golf course view and 2 walk in closets. There is a detached 1 car garage and dedicated parking space along with additional guest parking close to the condo. The Verandas has a nice community pool, clubhouse and tennis/pickleball just steps from your front door. Although there are no mandatory social or golf memberships required, buyers have two options for private clubs in Lely Resort. The Classics Country Club and The Players Club and Spa are available to buyers. Last but not least is the location! There are many restaurants and stores within a 5-mile radius including a new Costco under construction just 2 minutes away. When you are ready to venture out, the beaches and restaurants of downtown Naples and Marco Island are a short 15-minute drive!
