Description

Enjoy this MOVE-IN READY, TURNKEY/FURNISHED 2 bedroom, 2 full bathroom condo, centrally located in one of Bonita Springs most coveted communities – San Mirage! This meticulously kept unit features a well thought-out open floor plan that maximizes every inch of living space, including a private, screened-in balcony with an additional storage closet and relaxing view of the courtyard and fountain. The interior can best be described as Coastal Décor, incorporating neutral tones, clean lines, natural lighting and a touch of that casual but comfortable beachy style you would hope to find when living a southwest Florida lifestyle. The condo features upgraded flooring, retractable living room sun/privacy shades, keyless entry and remote thermostat. This resort-style, gated community offers a heated saltwater pool, spa, clubhouse, library, exercise room, tennis/pickleball court, grill areas and is surrounded by lush, tropical landscaping. The community is close to Coconut Point Mall, Miromar Outlets, dining, entertainment, approximately 8 miles to Barefoot and Bonita Beach, approximately 2 miles from the 24/7 Lee Health Coconut Point Facility and just 16 miles to Southwest Florida's International Airport. The name “San Mirage” could not be more perfect. The literal meaning of “Mirage” is defined as “an optical illusion to look at; to wonder at”. I assure you that San Mirage is no optical illusion. Treat yourself to the Florida lifestyle you deserve. Say goodbye to the bleak winters and hello sunshine! Make a showing appointment today!
