Description

A front-row seat to the Southwest Florida lifestyle awaits at 3338 N Key Drive #4. Perched on the top floor with some of the most captivating views in the community, this 1-bedroom, 1-bath waterfront condo overlooks the sparkling Caloosahatchee River, community pool, and Downtown Fort Myers skyline. From your private balcony, watch dolphins play, sailboats drift by, and spectacular sunsets paint the river, all from the comfort of home. Inside, top-floor living means no neighbors above and beautiful, unobstructed views that instantly set this residence apart. Recent improvements include a newer roof, A/C, water heater, exterior paint, and gutters, while hurricane-impact windows and doors are being installed for added peace of mind. The unit also sustained no hurricane damage. Here, the lifestyle extends well beyond your front door. Launch a kayak, cast a line from the private fishing pier, relax by the pool, or enjoy an evening BBQ along the waterfront. When you are ready for a night out, Downtown Fort Myers and its restaurants, entertainment, and River District charm are just a short bike ride away via the new pedestrian bridge. Whether you are searching for a peaceful waterfront retreat, seasonal escape, or investment opportunity, this is Florida living with a view you will never tire of coming home to.
