Description

One or more photo(s) has been virtually staged, AI generated or rendered. Centrally located, near the YMCA and white sandy beaches, in a popular water indirect neighborhood, this brand new residence boasts tons of upgrades. Built by FCI Homes and completed in September 2026, this modified St. Bart's great room model epitomizes luxury living and features four bedrooms, three and a half baths, and an array of upgraded including built-in appliances, radiating modern, coastal elegance. The expansive kitchen island invites culinary adventures, complemented by 10-foot sliding glass doors that flood the great room with natural light. Throughout the neutral hues create a serene ambiance, while outdoor amenities such as a fireplace, pool, spa, and outdoor kitchen beckon for entertainment. The home was built to an 11 foot elevation and offers a beautifully landscape retaining wall. The property presents an exceptional opportunity to embrace the relaxed, tropical lifestyle synonymous with Marco Island.
