Description

This off-lake Class A Motorcoach site located in the quiet and peaceful cul-de-sac at the East end of Pelican Lake Motorcoach Resort is finished with many upgrades. The upgrades include a full paver pad with extended pad, tropical landscaping with night lighting, and a 308 square foot coach house. The site spans approximately 4800 square feet backing up to preserve. This custom built 308 square foot coach house was built in 2019 and boasts an open floor plan with loft. The interior features an open living area with a slider opening to the large patio area, kitchen, and bathroom with stand-alone shower. This coach house could have a custom screen room added to the coach house with the walk out slider. Interior furnishings included.
