Description

Tucked away on a quiet cul-de-sac and nestled along the Coral Oaks Golf Course, this is the kind of home that feels peaceful from the moment you arrive. Lovingly cared for by its original owner since 1995, the pride of ownership is immediately apparent. This home has been immaculately maintained over the years, with updated bathroom tile adding a fresh touch while preserving the comfortable character of the home. Out back, mature oak trees provide beautiful shade and create a setting that feels established and private while still enjoying the openness of the golf course beyond. An under-truss lanai spans the entire back of the home, giving you an expansive covered outdoor living area with plenty of room to relax, entertain, enjoy your morning coffee, or simply take in the view. If you appreciate a home that has been genuinely cared for, a quiet setting, mature trees, and outdoor space that lets you enjoy the best of Florida living, 2919 NW 17th Terrace is one you'll want to see in person.
