Description

Out of flood zone with room to stretch out and plenty of privacy. Thoughtfully upgraded and generously outfitted, this three bedroom, plus den, two bath plus a half bath home has everything you need and more, unless you need carpet, because it does not have carpet anywhere. Through the front door, just past the den, the welcoming foyer, gives way to an expansive living area with high ceilings and an open concept, updated kitchen that commands a dutiful presence, with plenty of new cabinets and pantry for extra storage. The bedrooms are all positioned in the home to allow for perfect privacy. Just outside the sliding glass doors awaits a relaxing, covered living area that leads directly to the private pool, surrounded by a natural preserve for extra privacy plus a pool bath that is also accessible from the interior of the home. Located in a gated community with lower than average fees, you can be in downtown Naples or Marco Island in just moments!
