Description

Experience the Naples lifestyle from this beautifully updated 3-bedroom, 2-bath attached villa in Marker Lake Villas, a boutique gated community of just 36 residences. With more than 1,400 square feet of light-filled living space, a private 2-car garage, peaceful lake and fountain views, and a community pool, this home offers the perfect combination of comfort, convenience, and easy Florida living. Inside, vaulted ceilings create an open, airy feel, while the updated kitchen features granite countertops and stainless-steel appliances. Italian porcelain and luxury vinyl flooring flow throughout the home, creating a fresh, cohesive look. The spacious primary suite includes a custom walk-in closet, ensuite bath, and French doors opening directly to the extended screened lanai. And the lanai may quickly become your favorite room in the house. Overlooking the lake and fountain, it’s an inviting place for morning coffee, an evening glass of wine, or simply enjoying the beautiful Southwest Florida weather. The location puts the best of Naples within easy reach. Vanderbilt Beach and the Gulf are just a short drive away, while Mercato, Galleria Shoppes at Vanderbilt, Publix, restaurants, cafés, shopping, entertainment, and everyday conveniences surround you. Waterside Shops and the dining, shopping, and energy of downtown Naples are also easily accessible. When you’re ready to stay closer to home, take a swim in the community pool, enjoy a walk through the neighborhood, or simply relax on your lanai and watch the fountain across the lake. Whether you’re searching for a year-round

Naples home or a seasonal escape, 2266 Stacil Circle offers something increasingly hard to find: a comfortable, updated home with a 2-car garage, lakefront setting, community pool, and a North Naples location that makes enjoying the Florida lifestyle remarkably easy.
