Description

First-Floor Convenience Meets the Lely Resort Lifestyle! Welcome to this inviting 1,880-square-foot residence in the heart of Lely Resort, offering an ideal blend of comfort, convenience, and effortless Florida living. This 2-bedroom plus den, 2-bathroom home features a thoughtfully designed floor plan with generous living and dining areas, creating an easy flow for both everyday living and entertaining. One of the home's greatest advantages is its first-floor location, offering easy access without stairs and a seamless transition from the interior to the spacious screened lanai. Enjoy the peaceful surroundings from your private outdoor retreat—perfect for morning coffee, afternoon reading, or gathering with friends for dinner and drinks. The den provides additional versatility and can easily function as a home office, study, hobby room, or quiet retreat. Recent exterior updates provide added value and peace of mind, including a new roof completed in 2026 and fresh exterior paint. The location within Lely Resort puts an exceptional lifestyle right outside your door. Owners enjoy immediate access to the Players Club & Spa, featuring a spectacular selection of resort amenities, including fitness and wellness facilities, recreational activities, social opportunities, and more. For those who enjoy golf, there is also the option to purchase a golf membership at The Classics. When you're ready to explore beyond the community, Naples offers an extraordinary mix of white-sand beaches, celebrated restaurants, upscale shopping, arts, entertainment, and year-round outdoor

recreation. Whether you're looking for a full-time Naples residence, a seasonal escape, or an easy-to-maintain retreat, this first-floor Lely Resort home offers the space, convenience, and amenities to make Southwest Florida living truly enjoyable.
