Introducing 2020 Gulf Shore, an exclusive collection of just 18 residences positioned between The Gulf and a private harbor within The Moorings, one of Naples' premier neighborhoods. Developed by Barron Collier Companies and Golub & Co., two names deeply rooted in Naples' history and luxury development, this boutique community blends legacy, design, and effortless living. Interiors by Soucie Horner Design Collective bring a refined, coastal aesthetic with top-tier finishes, 10' ceilings, expansive glass, custom cabinetry, and curated natural materials throughout the home. Thoughtfully designed outdoor living areas include built-in Wolf grills and generous terraces. A frictionless ownership experience is supported by available turnkey furniture packages and elevated à-la-carte services through Juniper Holiday + Home, offering concierge support, home-watch, provisioning, and more—ensuring true ease from day one. Amenities include a bayfront resort-style pool, two private rooftop terraces with Gulf views, a dedicated kayak/paddleboard launch, 11 boat slips for vessels up to 32', fitness area, and secure under-building parking with EV charging. Located in The Moorings, residents enjoy quick access to Moorings Beach Club, walkable beach paths, a short golf-cart ride to Fifth Avenue South, and a few minutes' beach walk to the new Four Seasons Hotel. Here, waterfront living is elevated by thoughtful design, premier finishes, and a rarely offered level of convenience.
