Description

WILDERNESS COUNTRY CLUB | NO WAITING LIST - GOLF NOW | CLOSEST COURSE TO DOWNTOWN NAPLES | FIRST FLOOR | UPDATED BACHELOR PAD Welcome home to an exceptional first-floor residence in the coveted Wilderness Country Club -- where timeless Old Florida charm meets beautifully updated living. This beautifully updated 2BD/2BA property enjoys a wonderfully peaceful setting overlooking the second fairway and a vibrant butterfly garden, offering picturesque views and a front-row seat to the natural beauty that defines Wilderness. Inside, the residence has been thoughtfully updated with modern finishes throughout. Updated oak flooring throughout creates a fresh, cohesive feel, while the remodeled kitchen and both remodeled bathrooms bring contemporary style and functionality to the home. The former drop ceiling has been removed and replaced with recessed lighting, creating a brighter, more open atmosphere and enhancing the residence’s clean, sophisticated aesthetic. Beyond your front door lies the extraordinary lifestyle of Wilderness Country Club—one of Southwest Florida’s oldest and most exclusive private clubs. Set across approximately 200 beautifully preserved acres in the heart of Naples, this intimate, member-owned community encompasses just 300 residences, thoughtfully positioned among mature trees, natural lakes, specimen plantings and the Arthur Hills-designed 18-hole golf course. The community’s commitment to preserving its natural surroundings is evident everywhere. Wilderness has been an Audubon

Cooperative Sanctuary since 1999. Wilderness offers an exceptionally elite array of amenities and activities, including championship golf, four Har-Tru tennis courts, POP Tennis, four bocce courts, croquet, five heated saltwater pools, fitness programs, dining, social clubs and a stunning new clubhouse inspired by the character of Old Florida and designed by Amanda Lindroth. Residents also enjoy a remarkable calendar of golf, tennis, dining and social events designed to foster the close-knit sense of community that makes Wilderness so special. Perhaps most compelling is the setting. Despite its tranquil, secluded atmosphere, Wilderness is just minutes from Fifth Avenue South, Waterside Shops and the beautiful Gulf beaches. Here, lush tropical surroundings, exceptional recreation and genuine community come together in a private Naples enclave that feels worlds away—yet is remarkably close to everything. As renowned golf course designer Arthur Hills famously described it, Wilderness is a “rare, tropical enclave”—truly a paradise.
