Description

San Marco Villas feels like a small village, very popular with 2nd home owners because of location, size, price, community layout. Mid island town house at affordable price near Mackle Park, YMCA, city pickleball and a mile to beach or to grocery stores and restaurants. 2 bedrooms, full bath, laundry upstairs. Living room, kitchen, half bath on first level. Impact windows and doors - be safe and secure. Open spacious sunny heated pool, park in your own dedicated parking space right in front of your unit. Newer AC, hot water so easy maintenance, too. Lower condo fees than similar sized units elsewhere on island.
