Welcome to this stunning new construction home situated on 2.27 acres in Golden Gate Estates, offering the perfect combination of space, privacy, and modern design. Thoughtfully designed with 4 bedrooms plus a den, 3 full bathrooms, and an open-concept great room floor plan, this home was built with both everyday living and entertaining in mind. Step inside to a bright and spacious interior where the great room flows seamlessly into the kitchen and dining areas. The kitchen features a large center island, walk-in pantry, ample cabinetry, and an open layout overlooking the main living space. Large impact-resistant windows and sliding glass doors fill the home with natural light and create an effortless connection to the covered lanai and outdoor living area. The primary suite offers a private retreat with a generous walk-in closet and a beautifully designed bathroom featuring dual sinks, a walk-in shower, separate soaking tub, and private water closet. A split-bedroom layout provides added privacy, while the den offers flexible space for a home office, media room, or additional living area. Outside, enjoy the Southwest Florida lifestyle from your private in-ground pool, spacious covered lanai, and outdoor kitchen area overlooking the expansive backyard.Impact-resistant windows and doors, concrete block construction with a stucco exterior, an attached 2-car garage, private well, septic system, and irrigation. Ideally located with easy access to shopping, dining, schools, parks, and everyday

necessities, while still just a short drive from all that Naples has to offer. One or more photo(s) has been virtually staged, AI generated or rendered.
