Description

One or more photo(s) has been virtually staged, AI generated or rendered. Privately set on more than an acre in Pine Ridge, 835 Cassena Road pairs the quiet of estate living with the best of coastal Naples just minutes away. Meticulously maintained, the residence features finishes and furnishings selected by Freestyle Interiors. The kitchen is appointed with Sub-Zero appliances and a Miele coffee maker, while a dedicated wine refrigeration system keeps the collection ready for entertaining. A detached guest cabana suite with an adjoining bonus room gives visitors a gracious retreat of their own. Across 2,769 square feet of outdoor living space, tropical landscaping frames the pool and spa, while illuminated water features lend a soft glow after dusk. An outdoor fireplace and a separate fire pit with seating offer two places to gather. The sound system extends outdoors, a mosquito misting system serves the outdoor living areas, and premium synthetic turf gives the backyard a manicured finish. The estate also features a climate-controlled six-car garage, an Elaxi security system with 14 cameras, a whole-house Kinetico water system, a Generac whole-house generator, and a dedicated irrigation well. Gulf beaches and the boutiques and restaurants of Waterside Shops and Mercato are minutes away. Opening in late 2027 across from Waterside Shops, The Sterling Club is poised to offer residents who become members a nearby destination for wellness, dining, and social gatherings.
