Description

LGI Homes presents the luxurious Marathon floor plan, containing features and details you'll want to see for yourself. This single-story home offers four bedrooms complete with three full baths and multiple walk-in closets for extra storage. The Marathon consists of incredible features, including a flex room, breakfast nook, walk-in pantry, an expansive back yard patio, and a Jack-and-Jill bathroom. There is also a secluded master retreat with double windows to let in light and life.
