Description

Stunning Solar-Powered Pool Home – No Flood Zone! Welcome to this beautifully maintained 2015-built Cape Coral home, offering an impressive combination of modern upgrades, energy efficiency, storm protection, and resort-style outdoor living. The seller’s lower-rate mortgage may also be transferable to a qualified buyer, offering a unique opportunity in today’s market. Located outside of a flood zone, this move-in-ready home is loaded with valuable upgrades, including a high-end standing seam metal roof, whole-house solar panel system, and a propane-powered whole-house generator for added efficiency and peace of mind. Inside, you’ll find tile flooring throughout, modern glass-enclosed showers, and a stylish kitchen featuring high-end appliances and a gas stove. Step outside to your private Florida retreat featuring a newer oversized swimming pool with electric heater, an above-ground hot tub, and a spacious fenced backyard—perfect for pets, entertaining, or simply enjoying the Florida sunshine. Additional features include a circular driveway, manual and electric hurricane shutters, an electric hurricane shutter for the garage door, a whole-home security camera system, and an additional backyard storage shed. With its extensive upgrades, energy-saving features, storm protection, and incredible outdoor living space, this Cape Coral home is truly move-in ready and built to be enjoyed year-round!
