Description

Discover an extraordinary lakefront estate in the exclusive gated community of Ultimate Ski Lake, set on an expansive 3.78-acre homesite offering a rare combination of luxury, privacy, and premier waterfront living. This boutique community consists of just 13 residences and is surrounded by approximately 100 acres of protected preserve and conservation land, creating exceptional privacy and helping protect the community's perimeters from future development. The private lake is specifically designed for tournament-quality waterskiing, featuring a regulation slalom course and jump, while also offering ideal opportunities for stand-up paddleboarding, kayaking and swimming. A grand circular brick pavered driveway leads to the impressive residence, featuring a tile roof, elegant architectural details, and lush surroundings. The exceptional 3-6 bedroom design house features 3 bedrooms downstairs, and upstairs an oversized loft with 10ft ceiling, huge walk-in closet, full bathroom and access to a private balcony overlooking the lake. Two additional 10' x 10' rooms flank the loft, providing flexible options for family bedrooms, home offices, workout rooms, or hobby spaces. The thoughtfully designed interior features soaring volume ceilings, formal dining, expansive living areas, and a gourmet kitchen with custom cabinetry, center island, breakfast bar, cooktop, wall oven, and breakfast nook overlooking the lake. A 12-foot stacking slider opens the main living area to the enormous, screened lanai, creating a seamless indoor-outdoor living experience. The spectacular

outdoor living space features a sparkling pool and spa surrounded by an expansive screened lanai. One of the four bathrooms serves as a convenient pool bath. The luxurious primary suite offers direct lanai access, while the spa-inspired primary bath features a jetted soaking tub, separate walk-in shower, and separate closets each with custom cabinetry. Unlike most Florida homes this home has massive amount of closets and storage space. An oversized three-car garage includes a large storage room with exterior access and an attached air-conditioned workshop—ideal for a hobbyist, collector, boating enthusiast, or anyone needing exceptional workspace and storage. Residents also enjoy a community dock and sandy waterfront area. Located along the rapidly growing East Corkscrew corridor, the property is approximately 1.5 miles from the new Publix at Verdana Village. Also Miromar Outlets, Gulf Coast Town Center, Hertz Arena, and I-75 and RSW are approximately 15–20 minutes away and Fort Myers Beach and Bonita Beach less than an hour away.
