Description

MOVE-IN READY • BEAUTIFULLY RENOVATED • FURNISHED • PRIVATE Welcome to your Florida retreat in the highly sought-after Burnt Store Marina! This beautifully renovated and fully furnished 2-bedroom, 2-bath villa is ready for you to move in and start enjoying the Southwest Florida lifestyle—without the expense, stress and uncertainty of taking on major renovations. The important work has already been done. The home features a newer AC system, whole-house repiping, hurricane-rated windows and sliding doors, updated flooring, beautifully renovated bathrooms, and a thoughtfully redesigned kitchen with a breakfast bar, generous cabinetry and built-in pantry. One of the most special features is the privacy. The screened lanai overlooks a peaceful setting with no neighbor directly behind you and only one immediate side neighbor—a rare combination of privacy and convenience within Burnt Store Marina. The open living, dining and kitchen areas create a comfortable space for everyday living or entertaining. The spacious primary suite offers a large walk-in closet and beautifully updated walk-in shower, while the second bedroom provides a comfortable private space for guests, an office or visiting family. The villa is being offered fully furnished and move-in ready, making it an ideal choice as a full-time residence, seasonal Florida home or easy lock-and-leave getaway. And then there is the Burnt Store Marina lifestyle: a gated waterfront community with access to boating, golf, heated pool and spa, fitness facilities, pickleball and more. The marina

offers deep-water access toward the Gulf, while the community provides the relaxed resort-style atmosphere that makes this area so desirable. Major improvements include: • Newer air-conditioning system • Whole-house repiping • Hurricane-rated windows and sliding doors • Updated flooring • Renovated bathrooms • Custom kitchen with breakfast bar and built-in pantry • Water softener and filtration systems • Private screened lanai • Fully furnished • Attached garage If you’re looking for a Florida home where the major updating has already been completed, this is an opportunity to simply bring your suitcase, settle in and start enjoying Burnt Store Marina.
