Description

Experience elevated living in the heart of Old Naples at Eleven Eleven. This exceptional corner residence offers over 2,500 square feet of thoughtfully designed space, where clean, modern design is paired with warm, custom details throughout. A light-filled great room opens to expansive western-facing glass, delivering glowing sunset views and seamless indoor-outdoor living. The spacious lanai, with both southern and western exposure, provides an ideal setting for relaxing or entertaining year-round. The kitchen has been enhanced for both style and function, featuring an oversized island with added storage, a Thermador refrigerator, touchless faucet, and two sided seating area. Every inch of this residence reflects careful attention to detail—The primary suite is privately situated, offering a quiet escape separate from guest accommodations, while a flexible den creates the perfect space for a home office, media room, or lounge. Positioned just moments from Fifth Avenue South and Naples' white-sand beaches, the location offers unmatched walkability and convenience. Adding to the appeal, the community will soon feature Mr. 01 Pizza and Bad Ass Coffee just steps away. Residents of Eleven Eleven enjoy an impressive array of amenities, including a resort-style pool, fitness center with massage rooms, social and game rooms, private theater, dog park, lush green spaces, shuttle service, and six guest suites for visiting family and friends. This is a rare opportunity to own a highly upgraded, move-in-ready residence in one of Naples' most vibrant and amenity-rich communities.
