Description

Imagine starting your mornings by the pool, spending the afternoon on the water, and ending the day relaxing by the lanai's fireplace, all from your own slice of SE Cape Coral. This 4-bedroom, 3-bath gulf-access pool home offers one-bridge access to the Caloosahatchee River, putting open water just minutes away while keeping you centrally located near Del Prado Blvd and an easy drive to Fort Myers. Fresh paint inside and out, updated interiors, a new garage door coming, and electric fireplaces in both the living room and lanai give the home a fresh, inviting feel, while the 440-square-foot upstairs bonus bedroom offers plenty of flexibility as a guest suite, office, gym, or retreat. Whether you picture making this your full-time Florida home, a seasonal escape, or stepping into an established, actively producing Airbnb, the combination of a heated pool, gulf access, flexible living space, central location, and high and dry in an X500 flood zone makes this a property with plenty to offer.
