Description

A rare opportunity to own one of Seagate’s most coveted waterfront properties, perfectly positioned within one of Naples’ most prestigious beach and boating communities. Designed by renowned MHK Architecture, this exceptional residence offers the ultimate blend of luxury, location, and lifestyle, featuring one of the most desirable homesites in Seagate with both direct Gulf-access boating and a brief walk to the community’s private beach access. Thoughtfully designed for coastal living, the home showcases engineered oak hardwood flooring, marble bathroom finishes, soaring vaulted ceilings, and a stunning shell stone fireplace that creates a warm yet sophisticated atmosphere. Expansive indoor and outdoor living spaces seamlessly connect to a private tropical retreat featuring a zero-entry pool and spa, spacious entertaining areas, a fully fenced yard, and electric roll-down shutters for added convenience and security. Boaters will appreciate the private dock equipped with a 6,000-pound boat lift, providing effortless access to Naples’ scenic waterways and the Gulf of Mexico. Additional premium features include PGT impact-resistant windows and doors, natural gas service, a private well, a whole-home 20-kW generator, a newer metal roof, a recently installed air-conditioning system, and an oversized circular driveway with ample guest parking. Ideally located 10 minutes from Downtown Naples, 5th Avenue South, Naples Pier, Venetian Village, and Mercato, and just one mile from Waterside Shops, this rare offering presents an unparalleled opportunity to enjoy the very best

of Naples coastal living with the unique combination of private beach access and direct boating access in the heart of Seagate.
