Description

This isn't your typical Cape Coral spec home. Modern design sets this 3 bed + den, 2 bath residence apart the moment you pull up. Inside, the open floor plan is anchored by a chef's kitchen with quartz countertops, custom cabinetry, and stainless appliances, all flowing into bright living and dining space built for entertaining. The owner's suite delivers a walk-in closet, double vanities, and an oversized walk-in shower. Out back, a full outdoor kitchen turns the lanai into your favorite room in the house. The garage comes finished with epoxy floors and an EV charger already installed. Minutes to I-75, shopping, schools, and dining, with zero HOA fees or restrictions. Move-in ready and priced to move.
