Description

Bring your plans, your builder and your vision. Ideally positioned on the corner of Golden Gate Blvd W & 7th St NW and surrounded by impressive luxury new construction, this lot gives you the freedom to create a property around your lifestyle, with the added advantage of potential homesite access from 7th St NW rather than directly from Golden Gate Blvd W. Enjoy acreage living and privacy, with room for horses, a barn or stable, fencing, RVs, boats and more—all with no HOA—while still being close to shopping, dining, schools and the continued growth throughout this area of Naples. An environmental wetland report has already been completed and is available, providing valuable information upfront and one less step in evaluating the property.
