Description

(Some photos have been digitally edited/virtually staged to remove furnishings for visualization purposes) OVERSIZED LOT • 2 KITCHENS • PERMITTED ABOVE-GROUND POOL • TANKLESS WATER HEATER • CONVERTED GARAGE. Garage and walkway have been recently updated. See the final photos for the improvements. Discover the flexibility and character this spacious property has to offer. Situated on an oversized lot with abundant outdoor space, this home provides room to entertain, enjoy recreational activities, store equipment, or take on your next project. Inside, the home features a comfortable and spacious layout with distinctive exposed-beam ceilings, generous living and dining areas, and plenty of natural light. A standout feature is the two-kitchen setup, with one kitchen located in the lanai and another incorporated into the converted garage, complete with mirror-glass doors. These versatile spaces offer excellent options for entertaining, cooking, hobbies, gatherings, or creating a customized setup to suit your lifestyle. The home also features a tankless water heater, providing an efficient and space-saving water-heating solution. Outside, enjoy the permitted above-ground pool and expansive yard with plenty of room for outdoor living, recreation, gardening, boats, trailers, equipment, or other personal projects, subject to applicable regulations. With its oversized lot, two kitchens, permitted pool, tankless water heater, converted garage, and abundant outdoor space, this property offers a unique combination of functionality and versatility.
