Description

Welcome to this spacious 4 bedroom, 2 bathroom home situated on a large corner lot in Lehigh Acres. Built in 2018 and offering over 1,500 square feet of living space, this home features an open floor plan enhanced by impressive 15 foot cathedral ceilings, 8 foot doorways and closets, impact resistant windows, and tile flooring throughout. The kitchen opens to the main living and dining areas and features white cabinetry, granite countertops, stainless steel appliances, a large peninsula, and plenty of workspace for everyday living and entertaining. The split bedroom floor plan provides added privacy, with a spacious primary suite featuring a beautifully tiled walk in shower, dual sink vanity, and generous closet space. Three additional bedrooms offer flexibility for family, guests, or a home office. Step outside to the screened lanai overlooking the fenced backyard, with plenty of room to create your own outdoor retreat, garden, or play area, plus a storage shed for added convenience. The oversized corner lot provides additional yard space and an open feel that sets this property apart. Additional highlights include an attached two car garage and a convenient location near elementary, middle, and high schools, as well as a public library and shopping. Enjoy comfortable Florida living in a quiet residential neighborhood with space both inside and out. Schedule your private showing today!
