Description

Spectacular Gulf and bay views. Unforgettable sunsets. Desired southwest exposure. High-end furnishings. Extensive upgrades. Optional beach club opportunity. Floor-to-ceiling windows bathe the interiors in natural light, framing shimmering water, passing boats and lush coastal greenery that create an ever-changing backdrop for this beautifully appointed four-bedroom residence with four full baths and a powder room. From morning coffee on the expansive balcony to evenings beneath a glowing sunset sky, every day invites you to slow down and savor the view. Freshly painted and move-in ready, this residence features extensive upgrades and enhancements, plus furnishings, that distinguish the interiors, including builder upgrades, custom closet systems, designer lighting, motorized bedroom window treatments and balcony hurricane shutters. Large-format porcelain tile flows throughout, while illuminated ceiling artwork adds a dramatic focal point to the great room. The balcony extends the living space with wood-look porcelain tile, glass-panel railings and two ceiling fans. Entertain with ease in the kitchen, where white cabinetry, quartz countertops, a glass mosaic backsplash, designer pendants and under-cabinet lighting complement a Sub-Zero refrigerator and Wolf induction cooktop, convection oven and microwave. A walk-in butler’s pantry with a sink and Bosch dishwasher keeps preparations tucked away. Wake to Gulf and bay views in the primary suite, then retreat to a spa-inspired bath with a freestanding tub, an oversized frameless shower with

rainfall and dual wall-mounted showerheads, separate quartz-topped vanities and a TOTO bidet seat. An expansive custom walk-in closet completes the retreat. Three guest suites offer private baths and custom walk-in closets. Impact-resistant glass, a tankless water heater replaced in October 2026, a laundry room with a premium washer and dryer, quartz counters, a sink and a built-in ironing board enhance everyday comfort. Above it all, the rooftop offers a negative-edge pool, sky lounge and open-air fitness area overlooking the Gulf with forever views and stunning sunsets. Beyond your exclusive tower, Kalea Bay offers a 100,000 square-foot amenity campus featuring a 25,000-square-foot clubhouse, three pools, two restaurants, open-air bars, tennis, pickleball, fire pits and guest cottages. The wellness center includes Pilates and spin studios, fitness classes, treatment rooms, a sauna and steam showers. An optional beach club offers shuttle service, indoor/outdoor dining and a bar overlooking the pool and Gulf. Enjoy the nearby beaches, shopping and dining at Mercato and Waterside Shops and performances at Artis-Naples. Explore Old Naples celebrated restaurants, galleries and boutiques along 5th Ave South and 3rd Street South. Here, spectacular sunsets are just the beginning of your Southwest Florida lifestyle.
